WHAT IS DRIVE FOR CHANGEMAKERS?

Drive for Changemakers is Read Better Be Better's signature annual fundraiser, featuring a driving range tournament, prizes, networking, dinner, drinks, and more!

“Changemakers” comes from our philosophy that Readers become Leaders, and Leaders become Changemakers. Through Read Better Be Better's continuum of K-12 programs, students build foundational skills in reading and leadership that open up opportunities for them to make positive changes in their communities!

YOUR IMPACT

Read Better Be Better delivers K-8 peer-led literacy programs that are proven effective in improving reading skills and scores. With only 36% of Arizona's 3rd graders reading at grade level in 2025, proven interventions are more important than ever.

Read Better Be Better also offers high school Pathways programs that support students in exploring careers in education and civic leadership, creating lasting impact through future educators and community leaders.

Sponsorship of Drive for Changemakers makes providing these programs possible at NO cost to students and families, allowing Read Better Be Better to serve Arizona's students regardless of socioeconomic status.
